

Your gateway to a smart license

Now it's easy for people relocating from other countries to get a driving license in Dubai. The smart licensing service by RTA makes it convenient and easy to do so.

Here's how:

Visit rta.ae and follow easy steps to issue a new driving license and book a road test appointment.

When you reach Dubai, clear the road test and get your Digital Driving license via the RTA Dubai App.

Through our new smart systems, benefit from our vehicle licensing services and know all about our vehicle renting services.
