

Your gateway to easy parking

Make your parking experience convenient and comfortable with the 3 new features of the RTA Dubai App.

Parking Auto-renewal feature

Automatically renews your parking ticket on an hourly basis.

Parking Ticket Transaction History feature

View your detailed parking history. Even send it via email if need be. Parking tickets purchased from different channels such as smart parking meters, SMS and parking accounts can be viewed.

Dynamic Parking Map feature

Makes it easy to find a public parking spot and paying for it. Turn on your device GPS sensor and automatically see your current mobile location, parking zone details, fees, and availability timings.
